

Glasgow Golf Union – COVID 19 Update 21st April 2020

As our Member Clubs enter week 5 of the current lockdown enforced due to the COVID 19 pandemic and all our Clubs remain closed, The GGU Executive would like to pass on our best wishes to all Members and their families during this difficult period.

As a gesture of support to our Clubs, The Executive have decided to refund to each Member Club a sum equivalent to 50% of the Affiliation Fees collected earlier in 2020. Whilst we are half way through our 2019/2020 Financial Year we believe that to provide this refund now shows our willingness to support our Clubs and their memberships during these unprecedented and financially challenging times. These refunds have now been sent and should be with each of our Clubs this week.

Unfortunately our popular Seniors Championships due to be held on Wednesday 6th May at Gailies Links has become the first of our 2020 competitions to be cancelled and our remaining fixtures this year are in serious doubt. Scottish Golf have also recently announced the cancellation of their full 2020 fixture list. We can only look forward to some form of normality resuming later this year which will allow us back onto our Courses to enjoy the game we love. COVID 19 advice is available to all Clubs on the Scottish Golf website as we all adapt to the circumstances currently in place. Please see www.scottishgolf.org for regular updates.

Finally on behalf of Glasgow Golf Union I would like to express my thanks to all the NHS staff and key workers who are providing first class service to us all during this time. It is important we follow the guidelines, stay safe, stay at home and protect the NHS.

Sandy Anderson

GGU President
